

Be a part of something bigger than yourself.

Looking for a meaningful career?

At AlexRenew, we're committed to serving our community, protecting the waterways that connect us, and building a lasting legacy of environmental stewardship in the region. Each year, our team processes approximately 13 billion gallons of wastewater it receives from area homes, schools, and businesses, before safely returning it to our waterways.

Join the AlexRenew Apprenticeship Program.

Jump start your career with our registered apprenticeship program. We offer excellent pay and benefits along with free academic and on-the-job instruction.

Committed to Inclusivity

AlexRenew's strategic vision is that every drop of water we treat contributes to a thriving community and a healthy environment for all. This vision can only be achieved by ensuring that those we depend upon to provide essential wastewater service are valued, supported, and provided an environment in which they can reach their full potential. At AlexRenew, we work to celebrate employee uniqueness, allocate resources equitably, and design inclusive facilities.
