

Autopay

Autopay is a quick and easy way to pay your AlexRenew bill on time each month, and it offers the following benefits:

- Never miss a payment or pay late fees again
- Build a history of on-time payments
- No additional fees when paying with your checking or savings account

Enroll in Autopay today at MyAlexRenew.com.

Protect Your Account Info

Bad actors use extreme predatory tactics to trick unsuspecting utility customers into compromising their information. Protect yourself with the following tips:

- We will never call or email our customers to verify confidential personal information, such as social security numbers, tax ID numbers, or account passwords.
- AlexRenew will never ask you to pay your bill with a pre-paid credit card, transfer money, purchase gift cards, or request access to your computer.
- If you're unsure whether or not a communication is from AlexRenew, contact us directly at **703-721-3500** or **billing@alexrenew.com**.
