## **RFP-25-012: Northern Virginia Regional Biosolids Feasibility Study**

### **Addendum No. 2**

Respondents shall acknowledge receipt of this Addendum on the RFP Checklist in Attachment D of the Request for Proposals (RFP) with submittal of the Proposal. Failure to do so may result in the rejection of the Proposal.

Addendum No.2 to RFP-25-012 consists of following:

- One (1) page of text.

**Please note:** The [Biosolids-25-012@alexrenew.com](mailto:Biosolids-25-012@alexrenew.com) email experienced technical issues causing issues with receiving emails from external entities. If your firm submitted questions not listed below, please re-send your questions prior to the question deadline. AlexRenew will respond to those questions via a subsequent addendum.

### **Response to Respondent's Questions**

**Q1: Page 1 of the RFP states the due date is February 28, 2025, by 2 pm. However, page 9 of the same RFP states the due date is February 18, 2025, by 2 pm. Question: Can you please advise which due date is correct?**

A1: Addendum 1 extended the due date to February 25, 2025 and corrected the date in both locations.

**Q2. Page 11 of the RFP lists Section 3.4 as "Team Organization and Commitment". However, pages 17 and 19, show this section as "Team Organization and Key Personnel". Question: Can you please clarify which title is correct?**

A2: The correct title is Team Organization and Key Personnel.

**Q3: Page 11 of the RFP, Section 3.4.B.1. Project Manager and 3.4.B.2. Biosolids Lead, states these roles must be "a Virginia-licensed professional engineer". Question: Is it acceptable to show personnel for these roles in a "VA PE pending approval" status? Their Virginia DPOR application and credentials have been submitted and we are awaiting final approval.**

A3: Yes, this is acceptable.
