**(Upcoming Solicitation) RFQ-25-004: Tertiary Systems Upgrade Project
(Progressive Design-Build)**

Bulletin No. 1

In addition to the Anticipated Requirements provided on slide 17 in the [presentation at the February 19, 2025 Tertiary Systems Upgrade Project Industry Outreach Event](#), AlexRenew anticipates including the restriction that joint ventures will not be allowed as a Design-Build team structure. This requirement is anticipated to be included in the forthcoming Request for Qualifications for the project.
