MAKE MOXIE'S BUBBLING BREW!

Let's do an experiment just like at AlexRenew! With a parent, mix these ingredients in your cauldron and watch the chemical reaction come to life!

What you'll need:

- Bowl or tray
- Baking soda
- Food coloring
- Spoon
- Dish soap
- White vinegar

Instructions:

In a bowl, tray, or cauldron, add several spoonfuls of baking soda, a few drops of food coloring, and a squirt of dish soap. Make sure your cauldron is in an area that can get wet. Add vinegar to your mixture and watch your brew bubble!
