and Disposal Services**

Addendum No. 2

Respondents shall acknowledge receipt of this Addendum on the Bid Form. Failure to do so may result in the rejection of the Proposal.

Addendum No.2 to ITB-26-007 consists of following:

- 1 page of text with a response to a question received regarding Addendum No.1.

Response to Respondent's Questions

Q1: Addendum 1 was posted on 12/3/2025 with an attachment that included "Pricing Sheet for Contract 19-069 for Grit" in response to a request for current pricing. I represent the incumbent vendor, and the current contract reflects different rates than what was posted.

A1: ITB Addendum 1 included the pricing structure that was based on our previous long-term contract, which was based on a competitive solicitation and which expired in October 2025. The contract 26-006 with JLT was set up as an emergency short-term contract based on direct award and featured negotiated rates. The rates in contract 26-006 are as follows:

#	Fee description	Unit Price	Unit of Measure	Est Qty /mo	Estimated Extended Price per month
One-time Fees:					
1	Initial container delivery fee	\$150.00	per container	8	N/A
Recurring Fees:					
2	Container rental fee	\$75.00	per container, per month	8	\$600.00
3	Service fee	\$400.00	per service day	12	\$4,800.00
4	Disposal fee to empty all containers that contain waste at the time of servicing	\$175 .00	per ton	25	\$4,375.00
